DERRICK JOHNSON’S AUTHORITARIAN TAKEOVER OF THE NATIONAL NAACP

It all sounds like a promo for a summer blockbuster movie. Can this be going on right under our noses in the National NAACP?

The Justice Coalition’s evidence packed website can be accessed at www.justicecoalitionusa.org

Join us in demanding the REMOVAL of Derrick Johnson, President and CEO of the NAACP, Board of Directors Chair, Leon Russell and Board Member, Gloria Sweet-Love so that we might begin to restore the integrity of the world’s oldest and baddest civil rights organization and continue our quest for the equality of rights of all people.
